PTO Meeting
September 28, 2020
Filer School District Office
Meeting Began at: 1:00pm

Present: Leah Reed, Liz Cappel, Heather Lloyd, Melissa Grant, Rahelle Dille, Kayci Ayers, Stephanie Hardy, Artina Coon, Rahell Eskelsen, Alycia Cervantes, Sandra Holler

School Administration: Matt Mahannah, Teri Peters

Welcome & Introductions.. Leah Reed

Leah welcomed everyone to the first PTO meeting of the school year. She had everyone introduce themselves for the new members that had joined the committee.

Treasurer's Report... Heather Lloyd

Heather reported on last two years money earnings from the PTO through fundraisers. Last year we were able to raise funds through box tops, potato sales and apparel. Box tops has significantly changed their process and we won't be doing it this year. Last year we were only able to raise \$367 compared to \$1,195 in 2018.

Fundraising Report... Rashell Eskelsen

Rashell presented a plan to once again hold the potato fundraiser. She said teachers need funding more than ever for their classrooms given the year plus we want to continue raising funds to replace and add new playground equipment. Sales would begin October 26th and go through until November 12th. We will heavily promote that all sales be online at filerpto.org with forms still being sent out with students to give them an option to still hand in order forms and money to their teachers. Mr. Mahannah asked that we add to our letter and form to encourage that kids don't go door to door to sell potatoes this year. It was also brought up about a having a location change for pickup. Leah Reed said she would contact the Filer Fairgrounds about holding pick-up there. Rashell also said that incentives would need to be modified this year due to safety and restrictions inside the school and not being able to hold assemblies. She asked for any input on what the committee and principals thought that should look like. She would come with a finalized plan for the next meeting. We would also make sure to advertise in several ways to the community about the fundraiser.

Apparel... Melissa Grant

Melissa will be looking into providing apparel options again for parents to purchase. She is looking into going through another company.

New Officers... Leah Reed

Leah let the committee know that several PTO officers would be resigning from their positions and opened it for nominations. Below is a list of past officers and those elected for the 2020 school year.
